

Canadian Tire Jumpstart Program

The goal of the Canadian Tire Jumpstart program is to assist those children that due to financial hardship would not otherwise be able to participate in a physical activity.

Eligibility:

- Children must be between the ages 4-18 and must demonstrate a financial need. Funding up to \$300/year max per child. The Jump Start program maintains a record of funding requests.
- Level of subsidy can be determined by the person making the request (25%, 50%, or 100%).
- The registrant must complete the Jump Start Program application form. Forms are available at all White Rock Recreation and Culture offices.
- Support is provided for a child to participate in one activity per submission period. The submission periods are defined as:
January 15 - June 1 (Winter/Spring) &
July 1 - November 15 (Summer/Fall)
A child can participate in only one activity per period but can register in consecutive classes e.g. spring/summer ball hockey, or fall/winter skating.
Programs must be 5 sessions or more to qualify.

Examples of White Rock Recreation and Culture Programs which may be eligible for funding under the Jumpstart guidelines are listed below. This list is for reference only. Limitations may apply.	
Ballet	Soccer
