

PERSONAL EMERGENCY PREPAREDNESS

Are you prepared if a serious disaster were to occur? The City of White Rock encourages all residents to get prepared.

Individuals should take steps ahead of time to prepare themselves and their families for emergencies. You should be prepared to take care of yourself and your family for a minimum of 72 hours during an emergency.

On May 4, White Rock Leisure Services is presenting an Emergency Preparedness Workshop. Come out and join White Rock Fire Rescue for an informative presentation. Pre registration is required.
