### **White Rock Councillor Larry Robinson Passes**

It is with great sadness that we share the news of the passing of White Rock Councillor Larry Robinson, age 65, at 3:40 p.m. on March 15, 2014.

Larry was a passionate member of our community and a White Rock Councillor for the past three years. He served on numerous committees and boards during his time in Council. As an artist and previous personal trainer, he particularly enjoyed his work with the arts and healthy living. He always brought his sense of humour and sensibility to any subject.

“Larry was a devoted member of Council. He often conducted personal research to understand the issues and possibilities in our city,” said Mayor Wayne Baldwin. “It will be impossible to replace Larry’s spirit towards a better White Rock. He also showed a lot of personal courage when his tumour became visible. Larry remained a strong advocate for our community when others may have backed away from public life.”

City of White Rock facilities have flags at half-mast in remembrance of this exceptional man. Condolences are already being received at City Hall, showing his impact on White Rock and the surrounding areas. These messages will be forwarded to his family.

A Celebration of Life for Larry will be at the Community Centre on Monday March 24, 2014 at 1:00 p.m. Members of the public are invited to attend.
