Dear **Redacted**

Re: Request for Records
Freedom of Information and Protection of Privacy Act

The City of White Rock has processed your request for access to the following records pursuant to the *Freedom of Information and Protection of Privacy Act (the Act)*:

- *the current (2019) list of Secondary Suites with valid Permits . I am also requesting the current (2019) list of Short Term Vacation Rentals plus those for all Bed and Breakfasts regarding all with valid with business license . Could I also receive a list of those that had a license or permit for the above in 2018 but do not hold a valid permit or license at this time?*

Access to this information is available. A current list of addresses with permitted secondary suites is attached as Schedule A. A current list of addresses with permitted and licensed accessory bed and breakfast uses or accessory vacation rental uses is attached as Schedule B. It does not appear that any of the addresses listed in Schedule B have decommissioned their accessory uses or closed their businesses for 2019, although most of the business licences have upcoming renewals in this calendar year.
