Your family may not be together when a disaster occurs, so it's important to practice what you've planned so you know how to connect with each other in the case of an emergency. Be sure to discuss what you would do in different situations. Review and update your plan yearly.

TIP:

Your pets should wear current identification tags and have their vaccinations up-to-date at all times. Along with your information on their tag, also include the phone number of your out-of-area contact.
