

Water Service Disconnection or Reconnection Application

Instructions: Please deliver completed form to the Engineering and Municipal Operations Department

Applicant Information

Name of Property Owner(s): _____

Owner's Address: _____
Street Name City Postal Code

Property Address: _____
Street Name City Postal Code

Contact Phone: _____ Contact Email: _____

I hereby request to have my water service to the above property:

Date for service: _____

	Fee	Purpose for service request
<input type="checkbox"/> Temporary Water Service	\$80.00	
Disconnect from the main line and install temporary water connection (ex. for construction). The meter remains on.		
<input type="checkbox"/> Remove Meter	\$73.00	
Typically for demolition. Remove the meter and disconnect the water line.		
<input type="checkbox"/> Water Shut Off	\$73.00	
Water is turned off (ex. for seasonal shut off or temporary shut off of water meter.)		
<input type="checkbox"/> Water Turn On	\$73.00	
Water is turned on after shut off.		

I understand and agree that as the property owner(s) I am responsible for the costs of water services as outlined above and must notify the City of White Rock at least 7 days in advance when temporary water service disconnection/reconnection will be required.

 Date (Name: Please Print) (Property Owner Signature)

The City will not impose a water fee with respect to water service to any property that has been disconnected for a period of one (1) month or more if:

- a) The water service connection to the property remains unused and:
- b) The water service has been turned off at the request of the customer
