

JOINT MEDIA RELEASE

Regional coordination of re-opening dates

Immediate release: June 9, 2020

Each municipality in Metro Vancouver is working diligently in re-opening parks, recreation, cultural and library services to our residents and patrons. We have learned a great deal with COVID-19. One lesson is to support each other by coordinating municipal efforts. Wherever possible municipalities are coordinating re-opening dates in an attempt to simplify and lessen confusion. Given that the scope of amenities varies widely from city to city, the re-opening dates of some services will differ in each jurisdiction. To ensure that you are up to date on your city's re-opening dates, please check your city's website or social media channels. Latest information will be posted on your city's online and digital platforms.
