

# WELCOME BACK!

We are gradually reopening our indoor Recreation and Culture facilities and are pleased to offer a limited selection of programs and activities for all age groups.

All facilities will meet strict health and safety guidelines as set out by the Provincial Health Officer, Work Safe BC and Fraser Health.

Pre registration is required for ALL programs and activities (no drop-in) and will follow strict guidelines to ensure the health and safety of both participants and staff.

All active spaces have been assessed and it has been determined how many users can participate in our programs at any given time based on physical distancing requirement set out by the Province.

As we reopen, we will evaluate our procedures and programs and modify them as necessary.

## Please remember...

## COVID-19 safety protocols at reopened Facilities

- Pre registration required for ALL programs and activities.
- Facilities and programs will operate with reduced capacity.
- Follow directional signage throughout facilities.
- Maintain physical distancing of 2 meters apart at all times.
- Wash hands frequently.
- Bring a mask to wear if physical distancing is not possible.
- Increased frequency and cleaning of all high touch surfaces.
- No sharing of equipment in programs.
- Please bring your water. Water fountains are closed.
- Health screening, hand washing required before and after every program.
- If you are sick, you will be asked to leave.
- Bring only what you need, leave valuables at home.
- Please arrive dressed for your activity. Bathrooms will be open with appropriate physical distancing measures.
- Activities may be offered in different locations to accommodate physical distancing requirements.
