City

Postal Code

Property Address: _____

Street Name

City

Postal Code

Contact Phone: _____ Contact Email: _____

I hereby request to have my water service to the above property:

Date for service: _____

	Fee	Purpose for service request
<input type="checkbox"/> Temporary Water	\$72.00	
Disconnect from the main line and install temporary water connection. The meter remains on.		
<input type="checkbox"/> Remove Meter	\$72.00	
Typically for demolition. Remove the meter and disconnect the water line.		
<input type="checkbox"/> Seasonal Shut Off	\$72.00	
Water is turned off		
<input type="checkbox"/> Seasonal Turn On	\$72.00	
Water is turned on		

I understand and agree that as the property owner(s) I am responsible for the costs of water services as outlined above and must notify the City of White Rock at least 7 days in advance when temporary water service disconnection/reconnection will be required.

Date

(Name: Please Print)

(Property Owner Signature)

The City will not impose a water fee with respect to water service to any property that has been disconnected for a period of one (1) month or more if:

- The water service connection to the property remains unused and:
- The water service has been turned off at the request of the customer
